Subject: Review & Evaluation of BAFO Responses

Since all three of the vendors participating in the BAFO have already been evaluated as meeting minimum criteria, I recommend that we consider rating the final responses relative to one another. To facilitate this, we would rate each response category for each vendor as a 1, 2, or 3 with (1) being the best, (2) 2nd best and (3) 3rd best. Of course, if you truly feel that 2 responses are equal in a particular area, you would rate them equally. We can then determine points based on the ratings.

Think about this as you read over the responses and we can discuss next time we meet.

Thanks,
