**Subject:** PO for eMac's in Middle School Thin Client Labs

Bonnie, per our conversation, please use the following information when generating a PO for the 16 middle schools that are having their labs refreshed...

Awtrey  
Campbell  
Daniell  
Dickerson  
Dodgen  
Durham  
Floyd  
Garrett  
Griffin  
Lost Mountain  
Mabry  
McCleskey  
Pine Mountain  
Simpson  
Smitha  
Tapp

...the equipment should be purchased in total, not as leased equipment, nor on a per-year basis.

16 middle schools  
33 eMac's per school  
\$1149.00 per eMac

$16 \times 33 = 528 \times \$1149 = \$606,672.00$

Thanks for all you do!  
Donna
